### Professional Summary

I'm a self-taught, results-driven Digital Marketing & IT Specialist based in the Philippines. I help businesses grow through SEO, automation, custom websites, and strategic marketing. I've spent the last decade freelancing — building brands, websites, and digital systems that deliver.

### Core Skills

- ✓ SEO & Content Writing
- ✓ Affiliate & Influencer Marketing
- ✓ Social Media & Ads Management
- ✓ WordPress Developer & Specialist
- ✓ Website Development (VPS, NGINX, PHP, MySQL)
- ✓ .NET Developer (C#, Xamarin)
- ✓ Technical Support & IT Solutions

### Experience

Freelancing full-time for 10+ years. I've built websites, managed SEO and ad campaigns, and supported business owners across various industries. My strength lies in combining both development and digital marketing to deliver real results.
